

ATTORNEYS' LIST

The U.S. Embassy Mexico City does not assume responsibility for the payment of any fees or the professional ability or integrity of the persons or firms whose names appear on the following list. We appreciate receiving comments, favorable as well as unfavorable, concerning the performance of attorneys on the list, as they will assist us to review and update it.

Dialing:

From Mexico, dial numbers as listed. From the United States, dial 011-52, followed by the listed number.

The U.S. Embassy Attorneys' List

The list is the result of recommendations received by the Embassy, as well as direct contact by the Embassy to attorneys. Attorneys are listed by state and appear alphabetically within each state. The order of the list has no other significance. The specialization of each attorney is listed along with other relevant information.

Any attorney about whom the Embassy has received complaints is not included in this list. Also, we are mindful of the problem of *coyotes* and no individual believed by the Embassy to be a coyote or associated with the coyote trade has been included. (*Coyotes* are persons claiming to be or represent influential attorneys who can arrange a quick release from jail in exchange for a large amount of cash, but whose successes are limited to draining friends and families of their resources.)

Attorneys not on the list

This list is not exhaustive. Many reputable lawyers have chosen not to be included. Thus, no negative connotation can be drawn from the absence of a name from this list. If you choose a Mexican attorney whose name is not listed, you can verify his/her legal credential and any complaints that have been registered with the Mexican Bar Association.

Attorneys in the US

To locate attorneys in the US, we refer you to the Martindale-Hubbell Law Directory which can be viewed at www.martindale.com
