

English-Speaking Medical Professionals in Luxembourg May 2021

DISCLAIMER: The U.S. Embassy in Luxembourg assumes no responsibility or liability for the professional ability or reputation of, or the quality of services provided by, the medical professionals, medical facilities or air ambulance services whose names appear on the following lists. Inclusion on this list is in no way an endorsement by the Department of State or the U.S. Embassy. Names are listed alphabetically, and the order in which they appear has no other significance. The information in the list on professional credentials and areas of expertise are provided directly by the medical professional; the Embassy is not in a position to vouch for such information. You may receive additional information about the individuals and facilities on the list by contacting local medical boards and associations (or its equivalent) or local licensing authorities.

The doctors listed below have informed the Embassy that they are qualified to practice in the categories specified, and that they are sufficiently competent in the English language to provide services to English-speaking clients. The Embassy has neither the authority nor the facilities to act as a medical grievance committee. The information on this page is updated triennially.

All corrections and modifications should be sent to Luxembourgconsular@state.gov
